

The Family Club

Thank you for your interest in The Family Club six-month subscription massage package.

The Family Club is a service subscription designed to enable clients to benefit from regular massage therapy sessions at a more affordable rate for the family budget. This package is for those individuals and/or families that are willing to commit to this health-conscious lifestyle for at least six months.

The Club was brain-stormed as a way to guarantee payment of rent for an office space for a six-month lease. As a thank you for helping ensure that payment, in addition to receiving a discounted rate for a monthly 60-minute session, you will also receive any additional 60-minute sessions that month for \$35 each. Other perks are listed below.

The service subscription for The Family Club is managed through PayPal; a PayPal account is not required for participation (plastic accepted only through PayPal). The club is currently available in six month increments.

Pre-pay your six month service subscription and receive an additional gift certificate for a FREE 60-minute massage session.

One service subscription can cover an individual or a family unit. The welcome packet will include intake forms to be filled out for each participating family member and gift certificate(s).

There may also be additional specials and events especially for Family Club members.

Monthly Subscription Includes:

- one 60-minute session each month
- additional 60-minute sessions \$35 (payable at time of service)
- one gift certificate for a FREE 60-minute massage session
- 10% off other services and gift certificate purchases (books not included)
